2014-2015 Reviewers

Each person listed below has given his or her time, effort, and thought toward reviewing manuscripts for Research in Gerontological Nursing (RGN) from December 1, 2014 to November 30, 2015. The time and expertise shared by this group of scholars are essential to the integrity and quality of the articles published in RGN. The reviews these individuals provide are invaluable to the Editor in making manuscript decisions, to authors in strengthening and improving their work, and to the profession in advancing the science of gerontological nursing. We acknowledge and thank them for their time and efforts.
