Reviewer Thanks

2019 Reviewers

Each person listed below gave his or her time, effort, and thought toward reviewing manuscripts for the Annals of International Occupational Therapy during 2019. The time and expertise shared by this group of scholars are essential to the integrity and quality of the articles published in the Annals of International Occupational Therapy. The reviews these individuals provide are invaluable to the Editor in making manuscript decisions, to authors in strengthening and improving their work, and to the profession in advancing and promoting research and practice of occupational therapy worldwide. We acknowledge and thank them for their time and efforts.

Please note our top 10 reviewers for the past year are indicated in the list with an asterisk. These reviewers are recognized for the quantity, quality, and timeliness of reviews they provide.
