

Erratum for “A 33-Year-Old Man with Aggressive Behavior and Hostility During Treatment for Seizure Disorder”

The article “A 33-Year-Old Man with Aggressive Behavior and Hostility During Treatment for Seizure Disorder” by Deepti Mughal, MD; and M. Rehan Puri, MD, MPH, which was published in the June 2016 issue of *Psychiatric Annals* (volume 46, issue 6, pp. 327-329) has been amended to include factual corrections. An error was identified subsequent to its original publication. On page 329, the statement “...lamotrigine significantly increased anger-hostility scores relative to levetiracetam...” should instead be “...lamotrigine significantly *decreased* anger-hostility scores relative to levetiracetam...” The online article and its erratum are considered the version of record.
